*Cantabile e son molto anima.*

Bless'd be the day that I began, A pilgrim for to be, And blessed also

be the man, That there-un-to moved me.

'Tis

true 'twas late ere I did feel, The wish to live for aye,..... But

now I press with earnest zeal, Up to the shining way.....

..... But now I press with earnest zeal, Up to the shining

way.

Our tears to joy, our fears to faith, Are fur - ned as we

see ..... That our be - gin - ning (as one saith) Shews

what our end will be. .... The

day be bless'd that I be - gan, A pil - grim for to

be, . . . . . And e - - ver bles - sed he the man, That

there - un - to moved me . . . . . And

collen . . . . . do. a tempo.

e - ver bles - sed he the man, That there - un - to moved me . . . . .
